Dear Ex. 4 CBI

I wanted you to be aware that I met with staff regarding this PMN. I appreciate the additional information provided in your letter of July 25, 2017, regarding the subject chemical. Our toxicologist is reviewing this information and will prepare a written response when our review is complete. Additionally, I'd appreciate any OSHA contacts you can provide to further support your concerns about duplicative regulatory requirements, so we can follow-up with OSHA on that issue.

Should you have any more questions or concerns, please contact Greg Schweer at 202 564 8469 or Schweer.greg@epa.gov.

Best regards,
Tanya
